

GLJBC Health Pack

Telemedicine, EAP, and RX Solutions at your fingertips.

The **GLJBC Health Pack** provides a one-stop solution for your ancillary medical needs. GLJ Benefit Consultants has combined telemedicine benefits, an employee assistance program, and a prescription savings card into one neat package for ALA member firms. One health pack, three solutions, **\$9.95 per employee per month (PEPM) covers the employee and the employee's whole household.**

One health pack, three solutions!

1 Telemedicine through Teladoc

1 Quality health care when and where you need it! Teladoc gives you access to a national network of U.S. board-certified doctors by phone or video who are available anywhere, 24/7/365 to treat many of your medical issues. And with the GLJ/ALA No Copay Program, there's no copay and no bill each time you use the service.

2 Employee Assistance Program through SupportLinc

2 SupportLinc's Employee Assistance Program (EAP) provides ALA member firms with access to video, telephonic, or web-based counseling that includes behavioral health, unlimited virtual visits, and 8 in-person visits per incident per family member.

3 RX Prescription Savings Card through Clever RX

3 Clever RX is a fully integrated prescription solution that prides itself on providing consumers with full price transparency on their RX needs. Help your employees save money on their RX needs with this accessible solution.
