Purpose-Built for Law Firms

Deliver a Seamless Workplace Experience for Attorneys and Staff,
Manage hybrid work and Optimize Collaboration

Legal workplaces have unique demands – from reserved offices and confidentiality requirements to complex visitor policies and client expectations. Maptician helps law firms modernize space management while protecting productivity and client service.

How Maptician Supports Law Firms

Conference Room Management

- Simplify reservations for client meetings
- Ensure availability of high-value spaces

Confidential Visitor Management

- Custom workflows for client arrivals
- Secure, automated check-in processes

Reserved Offices & Hoteling

- Assign permanent offices to partners or staff
- Enable flexible hoteling for hybrid attorneys

Space Optimization for Law Firms

- Reduce excess real estate without sacrificing attorney experience
- Model hybrid attendance patterns and optimize layouts

Change Management Support

- Proven onboarding and adoption strategies tailored to legal environments

Data Security & Compliance

- Built to align with law firm security standards

“ We transitioned from legacy systems to Maptician in just six months, and it was one of the most successful projects we ever done. The transition was seamless, with the Maptician team offering top-notch support. ”

Joni Andrews, Regional Director of Office Administration | Husch Blackwell
