Other corporate services

We lead with best-in-class client service that is complemented by our proprietary entity management software platform.

### We're Different From the Legacy Providers

#### Perfect Form

- Law-firm-level responsiveness and attention
- Customized workflows for each client's needs
- State- and service-specific intake forms
- Flexible ordering via portal or email
- Comprehensive, intuitive entity management
- No additional portal fees
- \$125 or less for core services
- No mark-ups on state or expedite fees
- Monthly invoicing with multiple payment options
- Optional direct client billing and split invoices

#### Client Service

#### Ordering

#### Client Portal

#### Pricing

#### Invoicing

#### Others

- Slow to respond and difficult to reach
- Unhelpful with anything but basic orders
- Prolonged back and forth to gather info
- Only order option is via email
- Clunky, confusing, and limited functionality
- Exorbitant licensing fees
- Hidden mark-ups on state and expedite fees
- Additional fees for "doc prep," "processing"
- Unwilling to accommodate custom invoicing
- Limited payment options
