CORPORATE DONOR PROGRAM

alanet.org/about-foundation

The Foundation's Corporate Donor Program was developed to provide corporations an opportunity to establish and build their support of educational, leadership development, and inspirational initiatives led by ALA's charitable organization. Aligned with our Mission, this program is designed to complement and expand corporations' charitable activities and impact the growth and sustainability of the legal administrator profession.

The following information details the available corporate donor opportunities for 2026.
