

Congratulations to the 2024–2025 ALA Board of Directors and Chapter Resource Team

In November, the 2023 Nominating Committee convened in Chicago to determine the 2024–2025 ALA Board of Directors and the Chapter Resource Team (CRT).

These volunteer roles are vital to our Association. The ALA Board of Directors is responsible for establishing the vision, mission and goals of the Association as well as setting its strategic direction. Members of the CRT assist in the development of creative strategies that promote and educate members on the policies, programs and initiatives of ALA, including providing support and resources to chapters and their leaders. In addition to serving as mentors to chapters, team members serve as subject matter experts and are interested in the further development of their own leadership skills.

The members that make up these groups are held in the highest regard and have been entrusted to guide ALA and the legal management profession into the future. Please join us in congratulating this extraordinary group of legal management professionals! These individuals will officially take office in May in Aurora, Colorado at the Annual Conference & Expo.
