### Time & Attendance

**Time & Expense** replaces manual punch clocks and time sheets with a software based time and attendance system. With isolved Time, companies can gather employee time in a variety of ways including swipe cards, proximity readers, biometric readers, computers and even cell phones through the isolved GO mobile app.

### Exclusive offer to Members of ALA

#### Free HR Support Center -

With our HR Support Center, you will be able to read articles, download a handbook, forms and job descriptions and research laws as well as access an extensive HR knowledge base. Personalized HR support is always available from competent, experienced professionals.

**10% discount** off our already competitive retail pricing.

**Additional 5% discount** to those that have earned the CLM<sup>SM</sup> designation from ALA.

**3-year price lock guarantee.**

Attend one of the ALA's Fall events for **FREE\***

### Who is isolved

isolved is an industry-leading human capital management technology that brings together the key workforce functions in one robust, easy-to-use platform. Payroll, HR, Time & Attendance, Onboarding, Applicant Tracking, ACA Compliance, and Benefits Enrollment are all delivered from one solution, in the cloud, specifically built for the small-to-midsized employer.

### Why isolved

- Technology - All web-based - Manage payroll/HR/time anywhere you have an internet connection
- Superior Customer Service - We are big enough to do the job right, but small enough to care
- HR + Payroll + Time and Attendance data all in one place with single sign-on; no double entry of information
- SSAE 16, (formerly known as SAS 70, Type II Certified)
