### **About ALA**

[The Association of Legal Administrators](#) (ALA) is a professional, individual membership organization that supports and connects professionals in the management of law firms, corporate legal departments and governmental legal agencies. Founded in 1971, ALA creates excellence, drives innovation and empowers leaders in law. We provide our members with education, resources and a community hub where they can address challenges, solve problems and innovate for their personal and professional growth which contributes to the success of the legal organizations they work for and the legal industry in

general. ALA has 9,000 members worldwide and over 80 local chapters in the United States, Canada and Mexico.
